

## PALETTE

Palette is the chair with many possibilities. A hybrid chair suitable for all kinds of meeting environments. With a slightly bowl-shaped seat and thin backrest, with or without armrests, it is unique and delicately designed. The chair enables ergonomic sitting with height adjustment and a lockable tilt function. Frame in Colours by Materia (CbM\*). For these colours, we have for Palette selected a fabric with matching colours (see more information under the material tab below). Palette in a sober colour is subtle, and in an accent colour it makes a statement.

\*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black, white

## VARIANTS

		<b>W</b>	<b>P</b>	<b>H</b>	<b>SH</b>
