

# Capella X

## Colours and Materials

With its timeless design and clean lines, Capella X task chairs fit seamlessly into a variety of environments. Combined with the wide selection of fabrics and materials from Kinnarps Colour Studio, it offers plenty of options. Here is a summary of the fabric and material choices for the different variants.

### Soft Materials

#### Capella Classic | Capella Nature | Capella XL

Capella Classic has motif stitching with a classic look. Capella Nature has a sustainable look with motif stitching in a patchwork pattern. Capella XL is extra durable and approved for up to 150 kg. For all these variants, you can choose from a carefully selected range of durable textiles, leather, and faux leather from Kinnarps Colour Studio for the seat and backrest.

#### Capella Energy

Capella Energy has a dynamic look with motif stitching in contrasting colours. This variant is offered in a selection of carefully chosen fabrics from Kinnarps Colour Studio for the seat and backrest. Each fabric below has a specially selected seam colour on the backrest to create a stylish contrast to the fabric.
